

Volunteers Needed

Stream Monitoring and Bug Collecting Event Sat
March

Help the [Bug Brigade](#) of St. Joseph County by attending a stream monitoring and bug collection event! The [St. Joseph County Conservation District](#) has received a grant for this project from the [Michigan Clean Water Corps](#). The data collected will be used to revise three Watershed Management Plans. Join the fun, while learning about aquatic bugs and water quality in our county rivers!

The event will include collecting and sorting macroinvertebrates from six different St. Joseph County sites. Volunteers will be split into teams including a pre-assigned leader.

Hosted by the St. Joseph County Conservation District

Saturday, April 1, 2017 10am- 1pm
